

Eden By Design Builders New Home Designer Package

This package is for clients who would like custom options for the design of their **NEW HOME**, so they can make informed decisions and have the best design, selections and finishes - all within their budget.

When you engage us, we will deduct the cost of the package from your contract price.

Included in the New Home Designer Package:

- Initial visit to showroom / office consultation.
- Home visit (from Gordonvale to Palm Cove. Areas outside POA).
- Design by Master Builder / Draftsman.
- Design certified by Engineer (Form 15).
- A further 2 hour consultation to finalise your design and confirm your selections and finishes.
- Working drawings ready to submit to Council for building approval.
- Proposal and quotation detailing specifications.
- Soil test to suit site classification for footing and concrete slab design.
- On site septic design for non sewered sites (rural).

New Home Designer Package \$8,200 (incl. GST)
